

DISCLOSURE AND AUTHORIZATION

In connection with my application for employment with WSE Transportation, LLC (“Company”), I understand and acknowledge the following:

1. The Company may utilize the services of a consumer reporting agency as part of the procedure for processing my application and, if my application is granted, may obtain further information through subsequent investigations by a consumer reporting agency to update, renew or extend my employment.
2. A consumer reporting agency's investigation may include information concerning my credit background, references, character, past employment, work habits, education, general reputation, personal characteristics, mode of living, judgment, liens, criminal background, driving record, work experience and accidents.
3. This information may be obtained by direct or indirect contact with former employers, references, schools, financial institutions, landlords, public agencies or others who may have knowledge concerning such matters or who are supplied by me.
4. The Fair Credit Reporting Act (“FCRA”) gives me specific rights in dealing with a consumer reporting agency. Before I am denied qualification or an adverse action is made on a decision to affect my employment based, in whole or in part, on information obtained in the report, I will be provided with a copy of the report and a description in writing of my rights under the FCRA. Pursuant to the requirements of the FCRA, I have received a copy of the Fair Trade Commission document entitled “A Summary of Your Rights Under the Fair Credit Reporting Act.”
5. If I disagree with the accuracy of any information in the report, I must notify the Company within two days of my receipt of the report, and, if I do so, the Company will not make a final decision on my qualification status until I have had a reasonable opportunity to address the information contained in the report.

I hereby authorize, without reservation, any law enforcement or other federal, state or local agency, institution, service bureau, school, employer, reference or insurance company to furnish to the Company or a consumer reporting agency the information identified in this Disclosure and Authorization.

I further authorize the Company to obtain a consumer or investigative consumer report from a consumer reporting agency, and, if my application for employment is granted, this authorization will remain on file and serve as an ongoing authorization for the Company to obtain further consumer or investigative consumer reports at any time during which I remain employed by the Company to be used in making a decision to affect my employment.
